STAT

13. [REDACTED] LIAISON Received a call from Tom Gibson, in the office of Senator Dewey F. Bartlett (R., Okla.), who said that a couple of weeks ago he had read either in a magazine or a newspaper that there was a second call-up of Cuban reservists and he wanted to know if this was true. After checking with NFAC/CSS, I called Mr. Gibson back and told him that our experts report that we do not have any information that can confirm this but that we are keeping our eye on the situation. He thanked me for the assistance.

STAT

14. [REDACTED] EMPLOYMENT REQUEST Received a call from Debbie, in the Provo office of Senator Edwin J. (Jake) Garn (R., Utah), who requested a clerical and a professional employment package for a constituent. OLC Registry will handle.

STAT

15. [REDACTED] BRIEFING Called Carol Ditta, on the staff of Representative Stephen J. Solarz (D., N.Y.), regarding the Congressman's request for a briefing on Zaire. I told her we were short on manpower at the present time and asked if, since the House International Relations Committee would be receiving a briefing on this subject on 8 June, whether that would satisfy the Congressman's request. She said she would talk to Representative Solarz and if he wanted a private briefing she would get back to me.

STAT

16. [REDACTED] BRIEFING Called [REDACTED] General Counsel, NSA, to explain our position regarding sensitive documents supporting allegations of Cuban involvement in the invasion of Zaire and our plan for providing them to the Senate Select Committee on Intelligence and the House Permanent Select Committee on Intelligence. I said some of the documents included NSA documents and asked if he would review them to see if NSA had any objections to providing the documents to the Committees on a strict need-to-know basis. He will check and get back to us.
